Comprehensive partnership

Manick Bhuiyan
Ambassador of Bangladesh

On the auspicious occasion of the 44th anniversary of the Independence and National Day of Bangladesh, I have the honor to convey my deepest reverence to their Imperial Majesties Emperor Akihito and Empress Michiko, and on behalf of the government and people of Bangladesh, to convey our warm greetings to H.E. Prime Minister Sheikh Hasina and her consort. On this great day, I recall with solemn fervor, the Father of the Nation Bangabandhu Sheikh Mujibur Rahman for his visionary leadership and inspirational statements that eventually led to the culmination of a sovereign and independent Bangladesh. I would like to recall that it was the visit of Bangladesh to Japan in 1973 that laid the foundation of the ever-growing friendly relations between the two countries. I also pay my respect to the 1981 Japanese people, who showed great courage, freedom fighters, 3 million martyrs as well as the 200-million women and child victims of the war.

In recent times, the relationship between our two countries has blossomed. Last year Prime Minister Sheikh Hasina visited Japan at the invitation of Abe. At the bilateral meeting in Tokyo, the two leaders launched a “Comprehensive Partnership.” During the visit, Abe committed 500 billion yen over the next four to five years in bilateral assistance. Abe also and his wife paid an official visit to Bangladesh on Sept. 8 and 9. On that occasion, 20 top business leaders accompanied the delegation, which included government officials, joint businesses, and the IT sector are some of the areas where Japanese investors are showing keen interest. Taking into account their interest, we have decided to establish exclusive economic zones for Japanese investors. Last but not least, I must commend our expatriates for assisting the economy by sending their hard-earned foreign currency, as well as facilitating investment and technology transfers, to Bangladesh.

on the UN/UNDP Board for the 2015 to 2017 terms, the U.N. Human Rights Council for the 2015 to 2017 terms, the Committee on the Elimination of Discrimination against Women (CEDAW) for the 2015 to 2017 terms, the Executive Council of the International Criminal Council for the 2015 to 2017 terms, Bangladesh was also success­ful in becoming Chair of the Commonwealth Parliamentary Association (CPA), President of the Inter-Parliamentary Union (IPU), Director General of the International Maritime Safety Organization (IMS), President of the South-South Cooperation and Deputy-Member of the Governing Body of the International Telecommunications Union (ITU). On this day, I take this opportunity to thank all the officials and staff at the Ministry of Foreign Affairs and Bangladesh Mission abroad who have devoted themselves to achieving our foreign policy objectives. I also congratulate the Bangladesh diaspora who have contributed greatly to the success of the Bangladesh economy.

Today, Bangladesh is marching ahead in great strides in all fields under the leadership of our dear leader, Bangladesh’s daughter, Honorable Prime Minister, Sheikh Hasina. On this historic day, I appeal to all of us to work together and contribute to the success of our country. Bangladesh is a small country in terms of population, and also the home of demi-gods, and the IT sector is some of the areas where Japanese investors are showing keen interest. Taking into account their interest, we have decided to establish exclusive economic zones for Japanese investors.

Last but not least, I must commend our expatriates for assisting the economy by sending their hard-earned foreign currency, as well as facilitating investment and technology transfers, to Bangladesh.
